Dear Mr. Thompson:

RE: Whirlwind Mine San Juan - B471, B433, 5-M John Henry  
Coal Mine - Kane - B476, B466; Ute 32-Gilsonite Mine -  
Uintah B531

Staff has re-reviewed these proposed projects and still feel  
our initial comments are valid. We request a survey for  
the Ute 32 and 5-M.

However, since we now have additional information on the  
Whirlwind Mine, we request a survey only if new land dis-  
turbance is involved.

Also, the Bureau of Reclamation should be contacted concerning  
this project.

Sincerely,
